- 41 Digest

COVER—An exercise that tested the use of non-self-sustaining containerships to deploy forces to overseas areas of operations is described in the article beginning on page 2. Seasheds like the one pictured on the cover were installed on the containership to increase usable stowage space.

Army Logician (ISSN 0004-2528) is published bimonthly by Headquarters, Department of the Army, at the U.S. Army Logistics Management College (ALMC), Fort Lee, VA 23801-6044. □ The purpose of Army Logician is to publish timely, authoritative information and to disseminate professional knowledge and information for Department of the Army personnel in order to cultivate and enhance their professional development. □ Articles are the views of the authors and should not be interpreted as official opinion of the Department of the Army or of any branch, command, or agency of the Army and do not change or supercede information presented in other official Army publications. □ Material may be reprinted, provided credit is given to Army Logician and to the author(s), except where copyright is indicated. □ Articles, photographs, and news items of interest on all facets of Army logistics are solicited. Direct communication is authorized to: Editor, Army Logician, ALMC, Fort Lee, VA 23801-6044 (AUTOVON 687-4342, commercial [804] 734-4342). □ Private subscriptions and rates are available from Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402. □ Second-class official mail postage paid at Petersburg, Virginia, and additional mailing offices. Postmaster: Send address changes to Editor, Army Logician, ALMC, Fort Lee, VA 23801-6044. □ DISTRIBUTION RESTRICTION: Approved for public release; distribution is unlimited.
