DEPARTMENTS

- 1 Emphasis**
- 40 Digest**

COVER—Deploying a division involves far more than loading passengers and equipment—such as the AH1S Cobra helicopter—aboard an aircraft. The author explains in the article beginning on page 22 that careful planning, recurring training, and dedication are needed to develop the skills required for successful overseas deployments.

Army Logistician (ISSN 0004-2528) is published bimonthly by Headquarters, Department of the Army, at the U.S. Army Logistics Management College (ALMC), Fort Lee, VA 23801-6044. □The purpose of Army Logistician is to publish timely, authoritative information on Army and Defense logistics to increase the knowledge and understanding of logistics and to disseminate professional knowledge and information for Department of the Army personnel in order to cultivate and enhance their professional development. □Articles are views of the authors and should not be interpreted as official opinion of the Department of the Army or of any branch, command, or agency of the Army and do not change or supersede information presented in other official Army publications. □Material may be reprinted, provided credit is given to Army Logistician and to the author(s), except where copyright is indicated. □Articles, photographs, and news items of interest on all facets of Army logistics are solicited. Direct communication is authorized to: Editor, Army Logistician, ALMC, Fort Lee, VA 23801-6044 (AUTOVON 687-4342, commercial [804] 734-4342). □Private subscriptions and rates are available from Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402. □Second class official mail postage paid at Petersburg, Virginia, and additional mailing offices. Postmaster: Send address changes to Editor, Army Logistician, ALMC, Fort Lee, VA 23801-6044. □DISTRIBUTION RESTRICTION: Approved for public release; distribution is unlimited.
