## *Code of Ethics*

*Any person in Government service should:*

*Put loyalty to the highest moral principles and to country above loyalty to persons, party, or Government department.*

*Uphold the Constitution, laws, and legal regulations of the United States and of all governments therein and never be a party to their evasion.*

*Give a full day's labor for a full day's pay; giving to the performance of his duties his earnest effort and best thought.*

*Seek to find and employ more efficient and economical ways of getting tasks accomplished.*
