**COVER**—The Army Troop Support Command adds meaning to the Army Materiel Command's philosophy of "customer support" by hosting soldier support expositions. Soldiers, like those shown on the cover, get to see and touch the variety of equipment the command supplies. Assistant Editor Janice Heretick visited the most recent exposition, photographing the equipment and talking with the soldiers who use it. The story begins on page 18.

This medium is approved for the official dissemination of material designed to keep individuals within the Army knowledgeable of current and emerging developments within their areas of expertise for the purpose of enhancing their professional development.
